

EMS: 1.1 Environmental Scope

The purpose of the Environmental Policy Mission Statement is to outline the system used by BRC to ensure compliance to ISO 14001:2015 standards.

The Environmental Policy Manual, supportive procedures, work instructions and documentation is applicable to activities and personnel at BRC facilities located in Bluffton, Churubusco, Hartford City and Montpelier.

Document Control of the manual and all supportive documentation of the Environmental System is controlled by the policy and procedures within.

BRC Rubber & Plastics, Inc. Environmental Mission Statement

- Meet, exceed environmental community standards
- Handle generated waste in a safe responsible manner
- Improve product / processes to eliminate waste and air emissions
- Consistently meet ISO 14001:2015 standards
- Comply with all regulatory and statutory requirements
- Reduce energy consumption and conserve natural resources
- Promote discussion with customers, vendors, employees and the public about materials and processes we use and our impact on the environment.
- Achieve objectives and targets
- Take satisfaction in making high quality products and leaving the world a better place for future generations.
